Bluetooth Big LED Cordless Bulb

By Smart & Green

Description

The Bluetooth Big LED Cordless Bulb fits Smart and Green's large-sized lamps. It's this lighting system that breathes life into our lamps and lets them dazzle with a myriad of colors! It's controlled by smartphone or tablet using our SmartMesh app. Install it on your smartphone or tablet and discover the never-ending options it proposes. Plan when to switch on and off your lamps, customize colors and brightness and even create light groups: you'll be spoilt for choice! This large LED bulb can be recharged. Like this, you can enjoy wireless colored lights for more than 8 hours in one go. Great for taking advantage of your lights for a whole evening. Six hour charge time and 6-8 hours life. Note: This product is safe for use near pools and other wet locations, but it is not intended to be immersed or float on water. Do not charge when wet.
