Link Floor Lamp

By LZF

Description

The Link Floor Lamp appears exceptionally dashing in its stacked wood veneer Mobius strips. In mathematics, the Mobius strip is a surface with one continuous side, meaning the Link light is not only handsome, but discerning too. With its billowy, cloud-like structure, Link is decidedly easy on the eye. Available with a variety of wood veneer shades and a Chrome base. Includes a 53 inch transparent electrical cable with dimming switch.
