Masquerade M4 Pendant

By Wonderglass

Description

Masquerade M4 Pendant, designed by Jaime Hayon, is subdue, yet playful. It is a collection of characters inspired by the masquerade ball, a nod to Venetian heritage, the epicenter of glass artistry. The Smoky Grey colour palette is understated, setting up a contrast to the lively menagerie, while subtle variations create visual interest and depth. Finished in Black. Three 60 watt, 120 volt A19 medium base bulbs are required, but not included. 7.48 inch width x 9.44 inch height x 157 inch maximum length.
