12V Bang MR16 Adjustable Ceiling Spot Light

By tossB

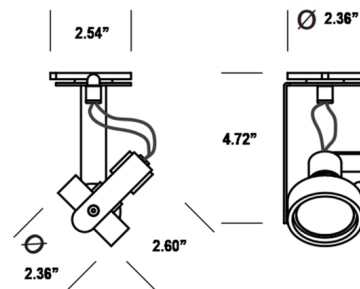

Description

The Bang Single 12 Volt Ceiling Spot Light puts its emphasis on technique and mobility. Every part has a definite function, which provides for a candid and non-intrusive design. Because of this, Bang fits in any possible environment. Note: Bang Single includes a canopy smaller than a standard US junction box - best suited for new construction applications. Remote transformer required, but not included.

Shown in brushed aluminum
