**DESCRIPTION**

Bow Pendant, designed by David Dolcini, is inspired by one of the basic shapes in architecture, the arch. It's part of our daily life - even if we don't notice it, and it expresses at the same time deepness, strength and equilibrium. Bow tries to translate the essence of the arch into a minimalistic luminaire. Gravity and balance, combined with the arch, are the other ingredients involved in the design of this product. Available with a Black finish in small, medium, and large sizes. Two 60 watt, 120 volt A19 medium base incandescent bulbs are required, but not included. CE listed. Small: 18.9 inch width x 6.3 inch height x 3.14 inch depth x 98 inch maximum length. Medium: 26.8 inch width x 6.3 inch height x 3.14 inch depth x 98 inch maximum length. Large: 36.6 inch width x 6.3 inch height x 3.14 inch depth x 98 inch maximum length.

*Shown in: Black*
