Crane Table Lamp

By tossB

Description

Crane Table Lamp, designed by Alain Monnens, strikes a balance between functionality and style. The design originates from exploring the most interesting and useful form out of 1 single folded plate, just like an origami crane bird. The foot has been folded into a straight angle so that the loss of work space is minimized. Available in White, Black, or Grey. One 8 watt, 120 volt LED module is included. CE listed. 15.94 inch width x 20.47 inch height x 24 inch depth.
