Thin Pendant

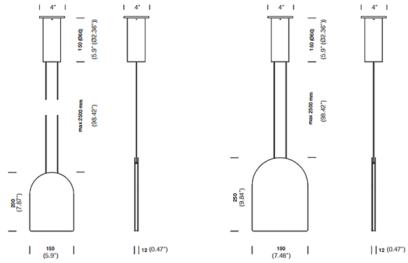

By tossB

Description

Thin Pendant, designed by Alain Berteau, can be described as a flattened re-imagining of traditional lamp typologies. Their innovative layered design allows perfect cooling of the powerful LED's components while the archetypal silhouettes offer a very distinctive yet familiar presence. Scalable and versatile, suitable for both residential and public use. Available in Black or White in small and large sizes. One 13 watt 120 volt LED module is included. Includes canopy to cover US junction box. ETL listed. Dimmable with a leading/trailing edge dimmer, sold separately.

Shown in black
