Tolomeo Classic Plug-In Wall Light

By Artemide

Description

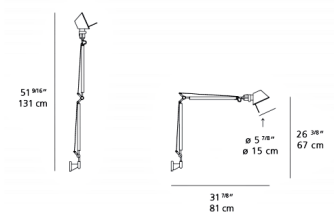

Discover the iconic flexibility of the Tolomeo series reimagined for convenient wall-mounted application with the Tolomeo Classic Plug-In Wall Light with S Bracket. This highly functional fixture features a fully articulated arm, body structure, and diffuser crafted from extruded natural anodized Aluminum, sleek Black, or crisp White, providing superior durability and a refined aesthetic. The signature joints and tension control knobs in polished die-cast aluminum, alongside robust stainless steel tension cables, ensure fluid movement and precise light positioning. Designed for immediate use, this wall light utilizes a Type S bracket suitable for wall surface mounting with an integrated cord and plug, offering effortless installation without hardwiring. The diffuser is impressively tiltable and rotates a full 360 degrees on the lampholder, giving you complete control over light direction. A convenient on/off switch is included for easy operation. UL listed for safety, customers consistently laud its exceptional adjustability and ease of installation. Perfect for reading nooks, bedside lighting, or task illumination in a home office, the Tolomeo Classic Plug-In Wall Light offers a blend of contemporary and transitional design with practical, adaptable lighting.
