Wilder Ceiling Semi Flush Light

By Quoizel

Description

Wilder Ceiling Semi Flush Light features an industrial design with a touch of old world style. The crimped wires are woven together and create a wonderful ripple effect for added visual interest. The vintage Replica bulbs emit a soft warm glow and complement the slightly textured matte Mottled Black finish. Four 40 watt 120 volt Edison A-Shape medium base bulbs are required, but not included. May be used with any medium base bulb to change the look. ETL listed for damp locations. 16 inch width x 13.5 inch height.
