## Stratus Indoor RGB Linear Wall Grazer

By PureEdge Lighting

### Description

The Stratus Linear Indoor RGB Wall Grazer is a Non-IC rated fixture designed for use in recessed cove or surface mount applications for new residential, new commercial and remodel. Lights textured walls up to 30 feet high. Available in 1 foot and 4 foot lengths in RGB (Red-Blue-Green) with field replaceable LED. Link multiple Stratus fixtures to create long runs. Included components: Wall mounting bracket, housing, joiner bracket, reflector, LED panel, one internal DMX power supply, and louver. Note: End caps and controller sold separately. Feed fixture with 120-277VAC. For indoor dry locations. Product is built to order.

Shown in aluminum
