Stablight A Pendant

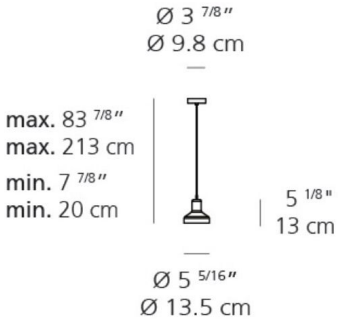

By Artemide

Description

The Stablight A Pendant is a captivating tribute to traditional glass blowing techniques, infusing your modern space with handcrafted beauty and a warm, inviting glow. Its distinct diffuser is meticulously produced using time-honored methods, ensuring a unique and refined quality to each individual piece.This charming pendant is available with a hand-blown glass diffuser in enchanting, translucent hues. These subtle colors add a distinctive character to the light as it passes through, creating a truly atmospheric and comforting ambiance. The diffuser is elegantly contrasted by a sleek Black finish on its suspension components. It is perfectly sized for providing focused illumination over a small table, a countertop, or for creating an engaging cluster in a contemporary living space.
