**DESCRIPTION**

Superlight Floor Light, designed by Peter Stathis and Matthew Boyko, balances the demands of both workplace and home with a combination of minimal form and maximal function. It is a task light reduced to its essence. A gestural line in space resulting in a precise yet playful structure defying gravity with an appearance of near weightlessness. Superlight achieves fluid, sweeping movement in every direction with a full range of motion, providing light exactly where you need it. The ergonomically positioned switch allows for single-handed use with effortless. Lens rotates 90 degrees for calibrated light adjustment. Six hour energy saving auto-off timer. Available in Black or White with a Charcoal felt base pad.
