Terho Pendant

By Mater Design

Description

The Terho Pendant, designed by the Finnish designer Maija Puoskari, is inspired by nature. Terho means acorns in Finnish and simply refers to the organic and appealing shape of acorns found in nature. The warmth and beauty of natural linden wood combined with glass makes it as contemporary as it is timeless. The wood is from responsible European forestry in Portugal - FSC, treated with natural wax and the glass is mouth-blown in Poland. Available in opal mouth blown glass with matte natural lacquered linden wood and white textile cord or smoked transparent glass with black stained linden wood and black textile cord.

Shown in alder wood / white
