Applique a Volet Pivotant Plug-In Wall Light

By Nemo

Description

The Applique a Volet Pivotant Plug-In Wall Light features an adjustable aluminum shade that can be tilted to adjust the beam and intensity of the light. The fixture's design is indicative of Charlotte Perriand's concept of useful forms, which often incorporated minimalist designs with simple shapes. May be mounted vertically or horizontally. Cord and plug are removable for hardwired installation (includes square mounting plate to cover standard 4 inch junction box). Switch located on fixture's frame.

Shown in white / aluminum
