Empatia Suspension

By Artemide

Description

The Empatia Suspension is a true masterpiece where the worlds of art and science converge to create a truly enchanting illumination experience. At its heart lies a magnificent hand-blown glass diffuser, a testament to artisanal craftsmanship and innovative optical engineering. This unique diffuser displays a mesmerizing ombre progression of opacity, transitioning seamlessly from transparent at the base to frosted at the top. This clever design allows for incredibly efficient light diffusion without any harsh glare, creating a soft, ethereal glow. Within the diffuser, a pristine white-painted bottom plate intelligently reflects light generated by the internal LED pipe, maximizing luminosity and creating a luminous core. Equipped with an integrated LED light source, the Empatia Suspension offers energy efficiency and long-lasting brilliance. It is conveniently dimmable via 2-wire dimming, giving you effortless control over the ambiance. The Empatia Suspension is more than a light fixture; it's a work of art that beautifully illuminates and inspires, making it perfect for dining areas, living rooms, or any space desiring sophisticated, glare-free light.

Specifications

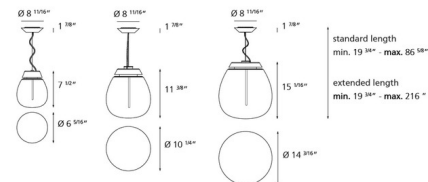

COLOR Clear
BODY FINISH White
WATTAGE 18W
DIMMER Low Voltage Electronic
DIMENSIONS 10.25"W x 11.3"H
INTEGRATED LED MODULE 1 x LED/18W/120-277V LED
COUNTRY OF ORIGIN Italy

Technical Information

LAMP LIFE 50000 hours
COLOR RENDERING 80 CRI
LAMP COLOR 3000K
LUMENS/WATT 39.44
LUMINOUS FLUX 710 lumens

Shown in white / clear
