Talo 60 Wall Light

By Artemide

Description

The Talo 60 Wall Light embodies sleek minimalism and exceptional versatility, designed to bring sophisticated linear illumination to contemporary spaces. This striking fixture is meticulously crafted from aluminum, ensuring both durability and a refined aesthetic. You can select from three exquisite finishes: a warm Satin Copper, a crisp Gloss White, or a polished Polished Aluminum, allowing you to perfectly match or accent your interior design. Its slender, elongated form makes it a versatile choice for a variety of applications, providing both ambient and task lighting. The Talo 60 Wall Light offers flexible installation options, capable of being mounted either vertically or horizontally, providing creative freedom in your lighting design. It's an ideal choice for enhancing hallways, illuminating architectural features, flanking mirrors, or providing ambient light in a modern living space with its clean lines and powerful, even light output.
