DESCRIPTION

Exemplifying utmost flexibility in its sleek aluminum structure, the Demetra Professional Desk Lamp offers an extensive range of movement with its adjustable arms and rotatable head. It emits efficient LED lighting and has an anti-glare reflector, and a touch dimmer on the head controls brightness level. Various mounting options are available. Drawing inspiration from the Greek goddess of harvest, the Demetra is designed to cultivate a productive environment for harvesting creativity, whether in business and home offices or in other workspaces.
