AP Recessed Exhaust Fan with Light By Aero Pure

Description

The AP Recessed Exhaust Fan with Light combines a quiet yet powerful bath fan with a recessed light, achieving a smooth aesthetic while meeting both your ventilation and lighting needs. The fan and light can be operated separately or together. This IC-rated fixture is suitable for new construction or remodel applications and fits with 2 x 8 inch joists. Articulating expandable anti-vibration brackets and a connector for 4 to 5 inch ducts are included. The fixture has rust-proof steel motor housing, a built-in backdraft damper and thermal shutoff. UL listed for use in a tub or shower enclosure when GFCI-protected and used with a PAR30L bulb (not included).
