Aalto Square Multi Light Pendant

By Hammerton Studio

Description

The Aalto Square Multi Light Pendant features LED-lit hand-blown glass shades that are meticulously crafted by Hammerton artisans. The fixture gives a nod to an organic midcentury modern aesthetic that exudes casual sophistication. Each shade takes the place of a traditional bulb and unfolds with striking illumination. The finished look is relaxed, soft and unique. Note: Due to the weight of this fixture, additional ceiling support is required.
