Oculux 120V 3-Light Track Light Kit

By WAC Lighting

Description

Oculux 3 Light Track Kit is ideal for residential spaces and lower-mounted commercial applications and combines high-output LED modules with easy-to-use films for three separate beam-spreads, along with an adjustable base to accommodate a variety of user preferences. With the driver and thermal/optical management encased in the die-casting housing, this compact unit offers a clean, efficient, versatile design that works with almost any decor. 350 degree horizontal and 90 degree vertical aiming. 50 degree beam film pre-installed, interchangeable 30 degree film supplied, remove film for 17 degree spot beam. Includes three 11 watt 120 volt LED modules, a 48 inch track, 3 track heads, and a floating canopy accessory for power. ETL listed.
