DESCRIPTION

FollowMe Plus Table Lamp complements its classic predecessor, the FollowMe Table Lamp. While the original size is perfect for cozy areas, the FollowMe Plus reproduces the same warmth and quality of light with greater power. This version stands out for its ability to create entire atmospheres, and is great as a table lamp, desk lamp, or even on the floor. FollowMe's curved handle invites you to carry it with you. A three-position dimmer regulates the light intensity, allowing for a continuous output of between 5 to 20 hours. A micro USB cable makes charging the FollowMe quick and easy.
