The Monkey Outdoor Lamp By Seletti

Description

Seletti's mischievous Monkey Lamp is available in a variety of cheeky poses to liven up any outdoor space. Each Monkey is supplied with an E14 base socket and bulb. An E14 to E12 socket adapter is required when replacing the bulb. Note: All arrive with a plug, but no on/off switch. Hardwiring not recommended. **Sitting:** This monkey's feet must extend beyond the edge of a surface in order to keep the lamp flat and stable. **Ceiling:** This monkey includes a canopy to attach to the ceiling but it is not a hardwired fixture.
