Cirio Chandelier

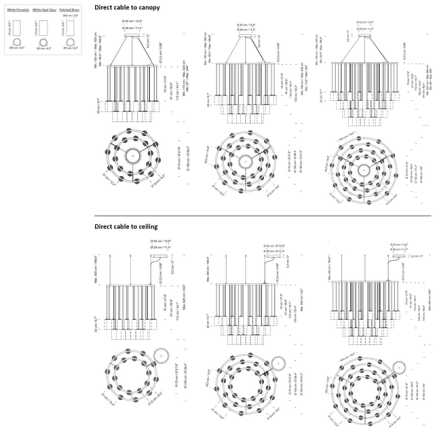

By Santa & Cole

Description

The Cirio Chandelier casts warm, radiant illumination that emanates throughout your space. Its abundant lights are suspended from a black aluminum frame of concentric rings, creating a dramatic, captivating focal point. Varying shade options are available to achieve the aesthetic that fits your application -- porcelain of Sargadelos (Galicia, Spain) which evokes the inviting glow of candles, translucent white opal glass for subtle purity, or opaque brass for elegant appeal. The cables that support the frame can be attached to the canopy or directly to the ceiling. Note: The 51.2 inch and 63 inch chandeliers require a junction box rated for fixtures weighing over 50 pounds.
