GT5 / GT6 Pendant

By Santa & Cole

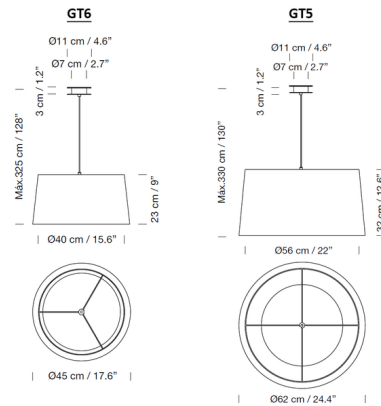

Description

The GT5 and GT6 Pendants are crafted out of handmade cotton ribbon wrapped around a frame to form the shade, offering a beautifully textured look in rich luminous tones. The White Linen shade option, not made of ribbon, presents a simpler aesthetic. The pendant emits a soft glow through its tapered shade and a translucent white plastic diffuser on the bottom, creating a warm, inviting atmosphere. The canopy includes a plate for mounting on a standard US junction box. Note: The White Linen shade is only available for the 17.6 inch diameter pendant.
