GT7 Pendant

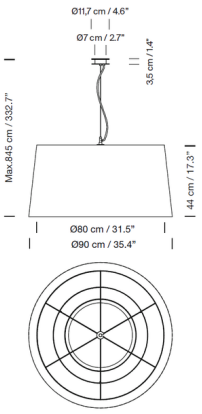

By Santa & Cole

Description

The GT7 Pendant showcases a shade crafted out of handmade cotton ribbon wrapped around a tapered frame, offering visually appealing texture in rich luminous tones. Light is softened through the fabric shade and a translucent white PVC diffuser on the bottom, creating a warm, inviting atmosphere. The finish options (Black or Satin Nickel) correspond to canopy color. The canopy includes a plate for mounting on a standard US junction box, shown in the line drawing but not in the photos.

Shown in black / natural ribbon
