Sisis Conicas PT1 / MT1 / GT3 Pendant

By Santa & Cole

Description

The Sisis Conicas Pendant presents a simple silhouette with various shade options ranging in colors and materials. The ribbon shades offer a beautifully textured look in rich luminous tones, while the Stitched Beige Parchment expresses artisanal character through the stitches decorating the rims. For those seeking a more minimal style, the White Linen shade offers a simpler understated aesthetic. Whether used as a single pendant or in a cluster arrangement, the Conicas provides warm ambient illumination while adding an element of sophistication to any setting. The canopy includes a plate for mounting on a standard US junction box. Note: The White Linen option is only available for the 9.8 and 14 inch diameter pendants.
