Sisí Conicas Largas MT2 / GT4 Pendant By Santa & Cole

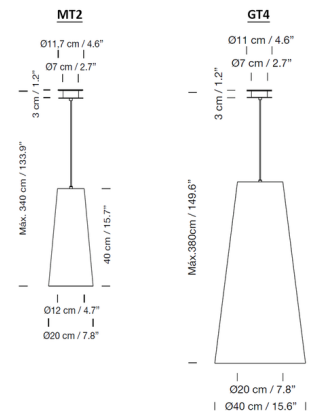

Description

The Sisí Conicas Largas Pendant showcases a unique elongated cardboard shade with decorative stitching along the edges. It was originally designed in 1983 for Bar Sisí, a popular Barcelona spot for nightlife in the eighties, offering a warmer alternative to the tubular metal halogen fixtures that prevailed at the time. This slim pendant is most suitable for hanging in multiples over areas such as kitchen counters, dining tables, bars, or reception desks. The canopy includes a plate for mounting on a standard US junction box.
