**DESCRIPTION**

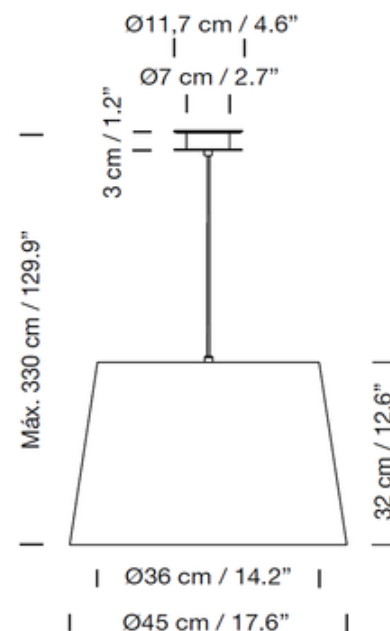

The Sisis Conicas GT1 Pendant presents a simple silhouette with various shade options ranging in colors and materials. The ribbon shades offer a beautifully textured look in rich luminous tones. For those seeking a more minimal style, the White Linen shade offers a simpler understated aesthetic. Or, for unique artisanal character, the Stitched Beige Parchment has a papery surface with stitches along the edges. Whether used as a single suspension or in multiples, the Conicas provides warm ambient illumination while adding an element of sophistication to any setting. The canopy includes a plate for mounting on a standard US junction box.
