Comodin Square Wall Sconce

By Santa & Cole

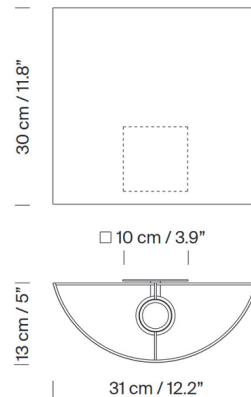

Description

The Comodin Square Wall Sconce showcases minimalist design featuring an arched ribbon, linen or parchment shade that prevents the light source from spilling out the side. Its simple, curved silhouette is open at the top and bottom to provide dramatic up and down lighting. Suitable for standard US junction box. Note: The stitching on the Stiche Beige Parchment shade is an off white color. Its appearance may vary slightly under different lighting and angles.

Shown in chrome / red amber ribbon
