Comodin Rectangular Wall Sconce

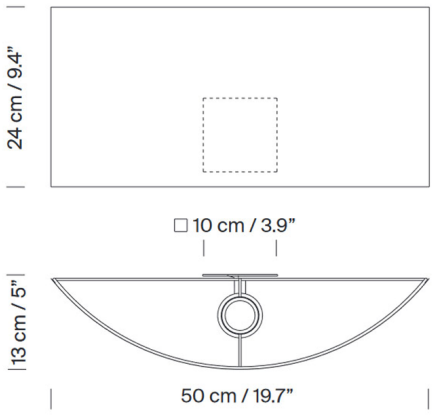

By Santa & Cole

Description

The Comodin Rectangular Wall Light showcases minimalist design featuring an arched ribbon or parchment shade that prevents the light source from spilling out the side. Its simple, curved silhouette is open at the top and bottom to provide dramatic up and down lighting. Suitable for standard US junction box.Note: The stiching on the Stiched Beige Parchment shade is an off white color. Its appearance may vary slightly under different lighting and angles.
