TMM Corto Wall Sconce

By Santa & Cole

Description

The TMM Corto Wall Sconce was originally conceived by Miguel Mila in 1964 for his company TRAMO. Mila's design is elegant in its simplicity, featuring a wooden channel into which a cylindrical parchment shade is partially inserted. The sconce's wooden frame adds the warm touch of natural materials. The White shade is available with or without a methacrylate top diffuser. Note: The Diffuser shade should only be used with low wattage LED bulbs. The Beige shade is not available with Diffuser.
