BuzziMoon Pendant

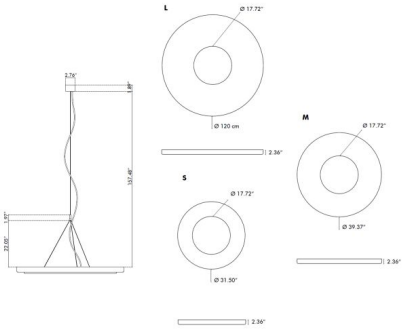

By BuzziSpace

Description

The BuzziMoon Pendant showcases modern design equipped with acoustic performance to create a fixture that provides highly functional general lighting while serving as an acoustic ceiling solution. Featuring a round central diffuser to evoke a inchfull moon inch effect, BuzziMoon is complete with a variety of fabric options and pattern options to choose for the ring shaped shade that surrounds the light source. Choose between Flat or the 3D patterns: Leaf, Drop, or Rib. Includes black cord and canopy.

Shown in rib 3d pattern / red fabric
