Gravy Wall Sconce

By Koncept Lighting

Description

The Gravy Wall Light features a simple circular silhouette and an understated design which fits any interior space. The joint design subtly incorporates full range articulations, allowing it to be used for ambient lighting or task lighting. The swiveling shade shines wherever you need it with a simple center control. Simply tap the center of the LED head to turn on or off and hold to dim or brighten (both plug-in and hardwire options). Hardwire option can be controlled by a wall switch in addition to the touchstrip control on the sconce itself. Available in a variety of wood, metallic, felt, matte finishes, and a paintable (primed white) finish. UL listed. ADA compliant. Title 24 compliant. Choice of mounting option - Plug In or Hardwired. Plug-in option includes a 120 inch White cord and plug.
