6DD Series 24V LED Driver and Dimmer

By Kichler

Description

The 6DD Series 60 or 100 Watt 24V Constant Voltage LED Driver and Dimmer simplifies installation and system compatibility by integrating the driver with the dimmer switch. This two-in-one product can convert 120V AC to 24V DC, as well as dim from 100% to 1%. Features pre-set dimmer with on/off push switch. Simply connect to both your 120V input and 24V output, and install with a standard single gang box to the wall to power Kichler 24V LED Tape and Accent Discs.
