

BRAND

DALS Lighting

DESCRIPTION

LED Wall A Cylinder Outdoor Wall Light features a cylindrical housing made of extruded aluminum and a die-cast aluminum canopy. Includes 3 optical options: a bright aluminum reflector that provides a 45 degree beam spread, a frosted glass lens to allow a wider beam spread, and a die-cast aluminum cap to allow a down light only version. All components undergo a rigorous pre-treatment and are coated with a baked powder paint coat, giving them a highly durable finish. Available in White, Satin Grey, or Black.

Shown in: Black

SHADE COLOR	N/A
BODY FINISH	Black
