DESCRIPTION

Sleepy Baby LED Nursery Bulb was designed to create the perception of darkness for your baby while providing the right light output when you need to care for your little one. It creates the appearance of darkness to the infant's internal clock allowing them to develop healthy rest and activity patterns. The customized spectrum helps your baby develop a natural circadian rhythm, fall asleep faster, stay asleep longer and return to sleep quicker if awoken in the middle of the night. Ideal use for nursery table lamps. 4.5 watt (40 watt incandescent equivalent) 120 volt medium (E26) base, SleepyBaby 2100K color temperature, 85+CRI, 275 lumens. Dimmable with most standard incandescent dimmers. ETL listed. Suitable for damp locations. 3 year limited warranty. 1.9 inch width x 3.5 inch height.
