Randhurst Outdoor Wall Light By Generation Lighting

Description

The Randhurst Outdoor Wall Sconce is a modern interpretation of an antique gas lantern, made of StoneStrong composite material that can withstand the harshest outdoor elements and finished in Copper Oxide. Handcrafted stepped details, grommets and open vents on the crown add charm to this period-inspired collection. Dark Sky Ordinance was developed as outdoor lighting standards that reduce glare, light trespass, and sky glow. ETL listed for wet locations.

Shown in copper / clear seeded
