# Ash Outdoor Wall Sconce with Clear Cylinder

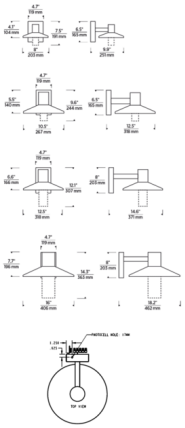

By Visual Comfort Modern

## Description

The Ash Outdoor Wall Sconce with Clear Cylinder is a modern take on the classic industrial style light fixture. It features a sleek metal shade and clear cylinder diffuser, ideal for spreading clean ambient light. Its die-cast aluminum construction, powder coat finish, and impact-resistant UV-stabilized clear acrylic ensure durability against harsh outdoor elements. The light is an energy-efficient integrated LED module, and a universal 120-277V driver with integrated transient 2.5 kV surge protection is included. Dimmable with an ELV or 1-10V dimmer. Four option selections are available: button photocontrol, surge protection, both the photocontrol and surge protection, or no options.

Shown in bronze / clear
