DESCRIPTION

The ModernRail Orb Asymmetric Frame Chandelier 2 offers a modern take on the classic low-voltage rail system. Features frosted opal glass orbs with an asymmetric frame that adds depth and height to what was historically a linear design. Finish in Aged Brass. Includes twelve 3 watt (6 up and 6 horizontal), 24 volt 2700K color temperature LED modules, 90CRI, 2640 total lumens. Includes surface mount canopy with integrated 24 volt LED power supply. Each kit comes complete with everything needed to install the ModernRail system. ETL listed. Dimmable with a low voltage electronic power supply, sold separately. Also available in a remote power supply option upon request.
