Monorail Mini Transformer 250W Kit By Visual Comfort Architectural

Description

The Monorail Mini 250 Watt Transformer Kit contains every component needed to put up a lighting system. Choose the low voltage heads and/or pendants, and all of the other necessary parts are automatically included for you to make your Monorail order quick and easy. Mounts to a standard 4 inch junction box. Kit includes (1) 8 foot long hand bendable Monorail, (2) sets of end caps, (1) power transformer, and (2) individual rigid standoffs (700MOS02x). Add up to (5) 50 watt or (7) 35 watt fixtures, sold separately.
