Piper Table Lamp

By Adesso

Description

The Piper LED Table Lamp combines energy efficiency with mid-century modern styling. A thin silhouette and compact footprint makes this table lamp perfect for desks, night stands or smaller spaces. A tall LED Frosted cylinder shade provides up to 1,200 lumens of warm, ambient lighting. A 4-way touch switch accommodates all lighting desires from dim, mood lighting to bright ambient light for a reading or work area. A Matte Black finish with Antique Brass accents reveals mid-century inspiration while a Black Marble base provides a sturdy stance. ETL listed.

Shown in antique brass / frosted
