**DESCRIPTION**

Inspired by Bauhaus porcelain lights used in the 1930s, this minimalist version is slip-casted to provide a tough, resistant finish. The end result is a simple, elegant piece that creates a warm glow of light in any space. Due to the manufacturing process, each piece is unique, adding to the appeal. Includes a paintable junction box cover which will cover standard 4 inch junction boxes. The j-box cover extends beyond the fixture and will be visible.
