Titania 3 Tiered Chandelier

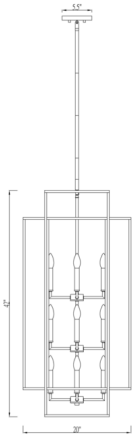

By Z-Lite

Description

An elongated steel cage offers a grand minimalist aesthetic to this contemporary Titania 3 Tiered Chandelier, designed with a tall geometric tesseract-inspired shape. Designed with a modern architectural feel and Frank Lloyd Wright-inspired aesthetic, this oversized transitional pendant makes a breathtaking, dramatic addition to museum-like interiors or two-story entryway foyers with high ceilings with its stark matte black finish. Illuminate the entire space with its generous tiered candelabra, showcasing tiered chandelier within its open and airy black cage.

Shown in bronze / olde brass
