Smart & Green

DESCRIPTION

The Globe Bluetooth Outdoor/Indoor LED Lamp is a waterproof, wireless, rechargeable and energy efficient lantern that can be used indoors or outdoors. Perfect for brightening up backyard barbecues and setting a romantic atmosphere poolside; it is designed to thrive in bad weather and has a guaranteed high resistance to shocks. It is also portable and easy to move indoors. Available in three sizes. Features pre-defined colors, dynamic mode with unlimited colors changing automatically, and yellow flickering candle effect. To perform tasks such as changing the color, timing, dimming, and even have multiple products communicate with each other, simply download the Smart and Green app. Using Bluetooth mesh technology without a WiFi network, you can control various scene modes from your own smartphone. Up to 20 hours or power in one charge. General light distribution. IP68 rated for wet locations.
