## Tower Bluetooth Indoor / Outdoor LED Lamp By Smart & Green

## Description

The Tower Bluetooth Outdoor / Indoor Lamp is a waterproof, wireless, rechargeable and energy efficient lantern that can be used indoors or outdoors. Perfect for brightening up backyard barbecues and setting a romantic atmosphere poolside; it is designed to thrive in bad weather and has a guaranteed high resistance to shocks. Is also portable and easy to move indoors. Features red, blue and green the pre-defined colors. Dynamic mode with unlimited colors changing automatically. Also features yellow flickering candle effect.To perform tasks such as changing the color, timing, dimming, and even have multiple products communicate with each other, simply download the Smart and Green app. Using Bluetooth mesh technology without a WiFi network, you can control various scene modes from your own smartphone. Up to 20 hours or power in one charge. IP68 rated for outdoor wet locations.50,000 hours life expectancy. Efficient energy saving light. Bluetooth connected. Note: The 14 inch size is designed to float on water and can be used in pools and other wet locations. The 30 and 42 inch sizes are safe for use near pools and other wet locations, but they are not intended to be immersed or float on water. Do not charge when wet.
