Snap System 2 Inch Color Enhance Accessory By Soraa

Description

Enhance is a unique color-enhancing filter designed to modify the spectrum of Soraa Vivid lamps, it increases the vividness of warm colors (including red, orange and pink colors) as well as greens. In applications where a more colorful setting is sought, Enhance lets the richness of colors stand out even more. Features integral magnet which automatically self centers accessory without fasteners or tools. Can be used in combination with any Soraa Vivid spot beam lamp. Recommended use with 2700K and 3000K color temperature. When stacking the Enhance with other Snap accessories, the Enhance should be placed as the first filter on the lamp followed by other Snaps. Recommend that the Enhance be combined with either a Louver Snap accessory or with a Beam Spreader Snap accessory for other beam angles. Compatible with Soraa 2 inch narrow spot MR16 or PAR20 LED lamps, sold separately. 1.96 inch diameter.
