DESCRIPTION

One of Koncept's most flexible lights, the Splitty Desk Lamp is named after its unique joint design. Designers Kenneth and Edmund Ng perfected the diffused light source with hidden LEDs so that the lamp performs as a radiant ambient light as well as a functional task light. Charge your phone or other USB-compatible products with the built-in 1A USB port on the base. Splitty is controlled by the indented on/off button on the top of the LED head. Simply press and hold the button to control the brightness. Available in Silver, Matte White, Matte Grey, Matte Orange, Matte Leaf Green, Matte Pacific Blue, or Matte Black. Mounting options include standard table base, through table mount, grommet mount; one-piece desk clamp and two-piece desk clamp base only available in Silver, Matte Black, or Matte White; Qi wireless charging base only available in Silver or Matte Black. UL listed.
