

Bramah 11 inch Pendant

Description:

The Bramah Pendant offers an intriguing take on a familiar silhouette that is sculpted from a solid block of aluminum, extruded into its a-line form, then softened with CNC cutting before being milled on a lathe to open the pendant's core and create fins from which the light diffuses out of. Available in two sizes finished in Grey, Copper, or Pale Gold. Includes 157.7 inch black braided cable. ETL Listed.
