Knot Disco Pendant By Brokis

Description

Knot Disco Pendant is a stately fixture that combines coarse natural fiber with smooth, transparent blown glass creating a contrast as striking as it is dignified. A flattened glass globe is penetrated by a robust cord that seemingly pulls the bottom of the glass inward for a bemusing plastic effect. The LED light source is housed in a handsome top hood, which, like the cord end cap, is fashioned in refined metal. Knot is well-suited to both private and public interior spaces and makes a particularly impressive statement above dining tables. Available in two sizes with a Copper, Chrome Black, Brushed Stainless Steel, or Brass finish with matching canopy, and a Smoke Grey, Smoke Brown, Transparent Opaline, or Transparent glass shade.NOTE: Cord length must be specified upon ordering and is not fieldadjustable. Please contact our sales team.
