Aede Wall Light

By Artemide

Description

The Aede Wall Light offers a clean, compact, and highly functional lighting solution for contemporary spaces. With its minimalist design, this fixture provides focused illumination without imposing on your aesthetic. Available in a crisp White finish, the Aede Wall Light seamlessly blends into a variety of interiors, offering a discreet yet effective light source. It includes a powerful 20-watt, 120-volt LED module, ensuring bright, energy-efficient illumination for years to come. The Aede Wall Light is perfectly sized for accenting hallways, illuminating stairwells, or providing subtle task lighting in reading nooks. Its sleek profile makes it an ideal choice for both residential and commercial applications where a refined, unobtrusive light is desired.
